Kristine:

I left a few voice messages for you and Chip over the last two days regarding some questions I have for the project (e.g., related to EPA's upcoming responses to our Key FS Elements check-in, and our monthly PH Managers meetings). I understand from Chip's voice mail prompt that he is out of the office until July 11<sup>th</sup> (I was unaware he was going to be gone during this time period). When you get a chance please call me so I can get a some clarity on a few key questions I have regarding these issues.

Thanks,

Jim McKenna
